

DASM - DISCIPLINED AGILE SCRUM MASTER

COURSE OVERVIEW

Disciplined Agile is not a framework, but rather a toolkit that focuses on the decisions you need to consider, the options available to you, and the trade-offs associated with these options. It shows you how to effectively combine strategies from multiple agile and lean approaches in a tailorable and scalable manner. Organizations that adopt Disciplined Agile go to market sooner, deliver value faster and make their customers happier

Disciplined Agile Scrum Master certification is a credential offered by the Project Management Institute. DASM (Disciplined Agile Scrum Master) is a program of Disciplined Agile that will help you learn multiple Agile approaches, understand how to use the Disciplined Agile tool kit and find your way of working (WoW). Disciplined Agile Scrum Master certification complete training includes leading Agile and Lean approaches like Scrum, Kanban, SAFe®, etc that will free you from any single agile framework and unfolds more opportunities. So, If you are from a Project management background and new in exploring Agile-based working, DASM online live certification training session is ideal for you. DASM online live certification training session will also give you insights on doing projects using an Agile development approach
